

**ADMS-Urban Prices**

Annual [ADMS-Urban](#) licences with unlimited use may be purchased. Licence costs are dependent on source limits and the number of software keys required.

Three software packages are available<sup>1</sup>. These are defined in Table 1.

**Table 1: Package source limit information**

Package	Source limits					
	Roads	Grid cells	Point	Line	Area	Volume
A	150	400	3	3	4	25
B	600	3000	25	5	10	25
C	3000	3000	Up to 1500 in any combination			

The costs for annual ADMS-Urban licences for Packages A, B and C are given in Table 2, categorised according to the number of software keys required.

**Table 2: Annual licence cost (£)**

Package	Number of software keys		
	1	5	10
A	2 500	5 000	7 500
B	5 000	7 500	10 000
C	-	10 000	12 500

All prices given are subject to VAT.

Annual ADMS-Urban licences include ongoing user support, which includes:

- maintenance upgrades,
- use of the helpdesk by e-mail, phone, fax or post,
- attendance at the annual ADMS-Urban and ADMS-Roads User Group meetings,
- ADMS-Urban and ADMS-Roads newsletter twice a year, and
- access to the password-protected CERC user area.

CERC recommend that new users of ADMS-Urban attend a training course; basic and advanced courses are available. Please refer to the [CERC website](#) for further details.

Please [contact CERC](#) if you require any further information.

<sup>1</sup> Customers may only licence one type of package at any one time. Packages may be upgraded during the licence period.
